VISION

To become the most trusted supplier of house hardware - designer products by ensuring the best manufacture facility in our own most modern plant with global technology under the experienced technician

MISSION

is to fulfill the dreams and desires of our esteem clients with good quality and very competitive prices.

Success is a journey, not a destination

We believe that success is a journey, not a destination... 'SIDDHI' mens success.

SIDDHI METAL INDUSTRIES. established since year 1992 at rajkot - india's most developed engineering and industries city, hub of hardware products manufacturing activities.

Brand 'SIDDHI' a name to reckon with quality, variety, reliability and precision that is second to none. since its inception years ago, 'SIDDHI' has grown on a steady pace to live up with finest and creative, concept wise design uniqueness.

In this venture parsana family together with their vision and ability they have created new market potential in the country through their wide spread marketing network.

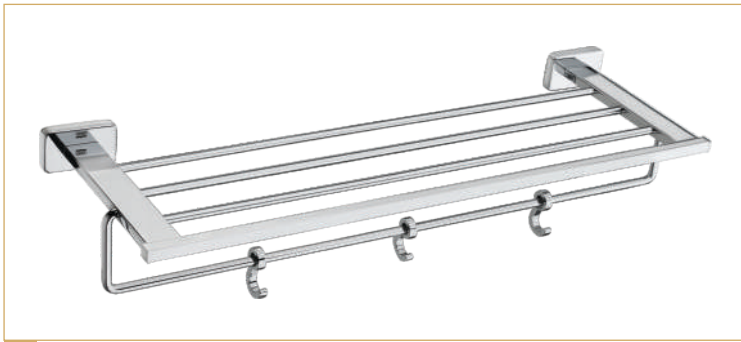

Company has own most-modern manufacturing plant with processing unit with R&D section and designing studio, covering about 26000 sq.ft., this plant supervised by most experienced technocrats and skilled workforce.

'SIDDHI' brand products are appreciated and excerpted by renowned builders, architects, interior decorators and most of the leading outlets and consumers too.

**“Quality is the ultimate
source of success...
success is the result of
classic creation & commitment...”**

Measurement \pm 2mm Tolerance

**“OUR SATISFIED CUSTOMER IS
OUR BEST ADVERTISER...”**
