## NITCO Brand Ethos

---

The natural world is a treasure trove of design inspirations, and at NITCO, we are passionate about harnessing its beauty in our surface designs. Our designs pay homage to nature's artistry, from the grandest vistas to the tiniest details. We source the finest natural products from all corners of the world, and devote our technology and manufacturing processes to creating a look that is as close to nature as possible.

Our dedication to this ethos is more than just a way of doing business - it's a way of life. We believe in creating designs that are not just aesthetically pleasing, but that reflect the mood and style of the spaces they occupy. We are driven by a constant desire to innovate and improve, to ask ourselves what more we can achieve, and to challenge ourselves to deliver even better.

All of this is brought to life through our cutting-edge technology, superior processing systems, and a designer mindset that infuses every aspect of our products. At NITCO, we are proud to offer a range of tiles, marble, and mosaics that capture the beauty of nature in every detail.

The image shows a contemporary living space with a grey, textured tile floor. In the foreground, there is a round glass coffee table with a wooden frame, holding a stack of books and a small potted plant. To the right, a modern wooden chair with a dark seat is visible. In the background, a wooden side table with a bird sculpture and a dark sofa are partially seen. The overall aesthetic is clean and minimalist.

TILES MARBLE MOSAICO

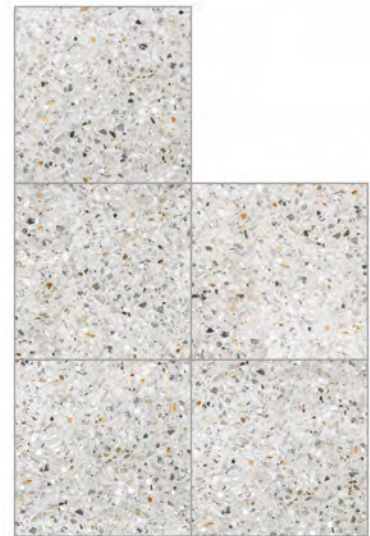

## 400 X 400 mm

Discover a world of natural beauty with NITCO's 400x400 mm Pavers collection. Inspired by the wonders of the great outdoors, this collection showcases an extensive palette of colours and designs that evoke the elements of nature. From the purity of white terrazzo to the timeless allure of Baltic white, each tile is crafted with precision to create a stunning visual impact. These tiles are not only visually appealing but also offer practical advantages for external flooring solutions. With their anti-slip resistance and high load-bearing capacity, they ensure safety and durability in high-traffic areas.

Immerse yourself in the tranquillity of stone, the sophistication of cement, or the allure of impressions as NITCO brings nature's essence to your spaces.

## 300 X 300 mm

Immerse yourself in a world of boundless design possibilities with NITCO's expansive 300x300 mm Pavers collection. Inspired by the limitless beauty of nature, NITCO presents an impressive array of colours and designs that will truly captivate your senses.

From the tranquil earthy hues of Asterix Beige and the rustic charm of Brique Terra to the striking allure of Cubix Azul and the enchanting sophistication of Dazzle Ivory, these tiles offer an extensive palette to transform your external spaces into stunning masterpieces.

With meticulous attention to detail, NITCO draws inspiration from nature's diverse elements, translating them into breath-taking typologies that include intricate chiselled stone impressions, mesmerizing wavy designs, and captivating geometric patterns. Beyond their extraordinary aesthetics, these tiles are meticulously crafted for external flooring solutions. They exhibit remarkable anti-slip resistance and an impressive load-bearing capacity, ensuring the utmost safety and durability in high-traffic areas.

Elevate and transcend your spaces with NITCO's unparalleled 300x300 mm Pavers collection, where the harmonious blend of nature's inspiration and innovative design awaits your discovery.
